

# Brunswick Real Estate recruits Jon Lekander to strengthen the research team

#### Stockholm 16 January 2017:

Jon Lekander joins Brunswick Real Estate as Director for the investment banking arm Leimdörfer. He will take on the responsibility for the group's research efforts, with main focus on the Company Overview, where Leimdörfer for more than 20 years has tracked the stock market's valuation of property assets held by listed real estate companies.

Jon has extensive experience within real estate strategy, research and investments, in the Nordics as well as globally, most recently as responsible for Aberdeen's global property multimanager business. Besides his professional experience, Jon holds a Ph.D. in Real Estate Economics and Law from the Royal Institute of Technology, Stockholm, focused on real estate and portfolio theory.

### Peter Leimdörfer, Co-Managing Partner Brunswick Real Estate says:

"I am delighted to welcome Jon Lekander to the Brunswick Real Estate team. Research and strategic advisory are important parts of our investment banking business and I am certain that Jon's experience and thorough understanding of the real estate fundamentals will add great value for our clients."

Brunswick Real Estate acts as strategic adviser to owners, boards and senior managements in listed property companies, institutional investors, large family offices and other major property owners, combining modern financial theory with detailed knowledge of the Nordic real estate and capital markets.

## Jon Lekander says:

"I am thrilled to be joining Leimdörfer and the Brunswick Real Estate team. It is the leading investment banking team in the Nordics and I hope to contribute through developing the research and strategy abilities further."
